

COVID 19 PLAN UPDATE

The Law Offices of Sean Musgrove is monitoring the COVID 19 Pandemic and the impact it is having on the California Court System. It is our goal to stay ahead of any issues that may cause a disruption to your legal matter.

TELEPHONIC APPEARANCES FOR COURT

Effective immediately, all Court appearances will be made telephonically, without exception.

The CDC has recommended that social gatherings should be ten people or less. The safety of our staff and clients is of utmost concern as we face the new realities of this global pandemic.

When our attorneys make Court appearances, the courtrooms are usually filled to capacity. Appearing in a filled courtroom does not match the CDC's recommendations.

Starting immediately, all Court appearances will be done telephonically. There is not a new process. The Courts have allowed telephonic appearances for years.

On the day of your hearing, your attorney will call you first. After you are on the telephone, your attorney will place you on hold and then conference call the Court. Once the Court picks up, you will be brought into the telephone conference and you will appear at your hearing.

It is important that you have a telephone line available and a quiet area to appear in.

During your normally scheduled prehearing call, your attorney will discuss this with you and any questions that you may have.

If you have any questions or concerns regarding your case, please contact us to set up a time to talk to any of our attorneys. We are here for you.
